

**Eureka! introduces the industry's most COST EFFECTIVE Liner System!**

Your customer wants their event to be special - differentiate your offering and stand out from the competition. Our new line of Pleated Frame Tent Liners offer a beautiful answer for your customer requests - at a price point to make you happy.

**“Show Stopping Prices!!”**  
Our Show Special is 50% lower than the leading brand.

**At this price, it just makes sense.**

**Hide the tubing** - in any “West Coast” and other conventional frame systems with a beautiful, pleated tent liners from Eureka!, the company you count on when it comes to service and quality.

**Extend the life of your frame system** - by covering old 30’ and 40’ frames with a tent liner to hide unsightly aluminum and older tops.

**Now, liners can rent with every frame tent.**

**Quality materials** - Eureka! Frame Tent Liners are manufactured using a flame retardant poly-blend fabric for a beautiful look. Standard hook and loop (Velcro®) attachment of ends and mids.

**Easy installation** - with a simple ring assembly and pulley system, making installation a breeze. There’s no new techniques for your crews to learn. And, each piece comes in a color-coded bag for easy identification and inventory.

**Compatible with other liners** - designed to integrate with other white tent liners in your inventory.
